

Steps to State Recognition

Updated: July 8, 2025

Once your PGF has the five (5) mandatory members:

1. Contact the Wazir Regional Council (WRC) at wazirregionalcouncil@gmail.com or go to the <http://empireofmoroccogov.com> website and scroll down until you see the green "Petition Now" button to fill out the petition form.
2. Fill out the "Petition Now" form and wait for the WRC to contact your Wazir.
3. All Political Groups Forming (PGF's) members once having had the PGF confirmed by the WRC must enroll in the Learning Management System (EmpireGov LMS) to complete the AMPAC Study Sessions and take the quizzes associated to the study session. Ten questions per study session.
4. As part of the recognition phase, all members of the Political Groups Forming (PGF's) must pay for and submit a background check.
5. There must be cooperation among the PGF members and cannot have any nepotism, severe criminality, Moorish American or any other misconceptions.
6. The PGF must also create an internal Moroccan state seal, flag, email account and lease an office space; not a P.O. Box or residential address. Your state constitution will be provided to your PGF.
7. Once the Political Group Forming has demonstrated their commitment to the process set forth above, you will be required to perform an inauguration as per the WRC guidelines.
